High School Boys Sunday Night Lights

That's right!! We are putting together our 3rd annual Sunday Night Lights, and our second for the High School Boys, and all players are eligible to join in the fun.

With the input of MHS Head Coach Bob Fisher on the itinerary and running every Sunday from October 6, 2019 to November 24, 2019 this is the event everyone waits for! We mix the grades and players to compete against each other to start their basketball season. *Ideal Package Added for incoming Freshman Players With a One Hour Session of HS Drills and Defense Before The Game!!!!*

Captains mix the players then divide the teams competitively to get two complete teams and then each coach takes a group and plays. They can keep the same teams or switch off so each team gets the benefit of other players and make adjustments along the way. It is a really fun atmosphere and there is no admission for spectators.

Do not be mistaken however, each team plays to win and just so it is real, we provide referees for each game and a score keeper.

This has worked out so well from many perspectives in past years. Teamates learn about the players and everyone gets in playing form for the upcoming tryouts and season.

Go to the Registration Tab Now!!!! Players hit Player Registration FNL then select the High school Boys SNL and Freshman Clinic tab.
